

**Flight Report #21**  
**U of A Flight**  
May21-23, 2016

**Honor Flight #21**

Early Saturday morning, **5 WWII** and **19 Korean War** veterans along with 24 U of A student veterans acting as guardians flew out of Tucson on our 21st official Southern Arizona Honor Flight. Since our inaugural flight in September of 2011 we have flown 641 veterans from Southern Arizona on their Honor Flight. We anticipate adding more Korean War veterans to our flights as we continue the mission – but WWII veterans will always have priority. It is hard to believe that we have come so far in just 5 short years. Our thanks to a very generous Southern Arizona community, job well done!

Tash Tonlik Court # 10  
Tucson Airport Authority

*Note: If your donation is not listed above, it is being directed to an upcoming flight.*

I would like to give a special thanks to **Dee Brunner** and everyone at the **TAA** for the overall coordination with our group and for providing the send-off and welcome home crowds with parking validation. Our ongoing relationship with the **American Airlines**, the **DM Desert Lightning Team** and **Color Guard**, the **Patriot Guard Riders**, and the **Arizona Rangers** make our send-offs and returns very special for everyone in attendance.

I would also like to thank our Sierra Vista friends **Bob Simon** and **Billy McLain** for their help in getting active duty members from Fort Huachuca, including the **Military Intelligence Corps Band** to drive up from Fort Huachuca. Also present for this flight: the **DAV organization**, **MOPH Tucson**, **Channel 11 News**, and the **USN Sea Cadets, Tucson Battalion**. Special thanks to our quilt makers for the beautiful quilts we give the veterans returning home – and thanks to everyone who came to support our veterans, it was an honor to see such a big turn-out.

The generosity of the entire community has enabled us to send these vets on their well-deserved trip. It is a very big effort and takes an amazing amount of collaboration to bring business, organizations, clubs, schools and volunteers together to make it all happen. What a special group of people, and I am proud to be a part of this wonderful organization.

Thanks again,

A handwritten signature in black ink that reads "Thom Mansur".
